WORK EXPERIENCE

Freelance ASL Interpreter

Crabtree Interpreting | 2018 - CURRENT

- Created and maintained my own schedule while meeting all payroll deadlines for accurate billing.
- Provided services to individuals while receiving feedback and adjusting services to fit their needs.
- Was the face of Crabtree and the point of contact between the customer and business.

ASL Interpreter

Fort Bend ISD | 2017 - 2019

- Created an outreach program to provide high schoolers with technology that will assist them in becoming independent on the phone.
- Established a teaching plan to assist students in learning how to use the web to look up new vocabulary with an average reading level increase of half a grade level in 3 months.

ACADEMIC HISTORY

CareerFoundry

2018 - 2019 | Web Development

- Over 500 hours of training with industry leading mentors to develop real-life projects such as a static web page and e-commerce site.
- Focus on Web Development with a comprehensive, hands-on training spanning from HTML/CSS, Javascript, and Rails.

University of Houston

2012 - 2016 | B.S. ASL Interpreting

- Developed critical thinking and multi-tasking skills to assist in simultaneous interpreting.
- Honed public speaking skills through ASL-English interpreting.
- Learned how to properly give and receive feedback from peers and mentors.
